

Remarks:

Claims 1 and 3 have been amended to remove the issues of indefiniteness therein. Thus, claim 1 now recites the positive step of forming an aqueous dispersion of jojoba meal. As to claim 3, the suggestions of the Examiner have been adopted verbatim.

It is noted that the claims are free of the prior art. Therefore, a Notice of Allowance appears to be in order and such action is solicited.

Any additional fee which is due in connection with this amendment should be applied against our Deposit Account No. 19-0522.

Respectfully submitted,

By
